Parent/Guardian

Guidelines for the Parents/Guardians of St. Dominic Student Athletes

Parents/guardians of St. Dominic student athletes are crucial to the success of the school's athletic program. As the primary educators of their children, they must set the example for their student athletes that teamwork is essential to any athletic program's success. Just as the student athletes are members of a team, parents themselves are members of a team—the team of Athletic Committee members, coaching staffs, fundraisers, and fans who make each sport possible.

Parent involvement in athletics is also a form of stewardship--giving of one's time, talent, and treasure. Unlike public schools, where school personnel operate athletic programs, parents are almost entirely responsible for athletics at St. Dominic School. Given this level of responsibility, the role of parents is clear: in order for student athletes to participate in the athletic program at St. Dominic School, parents also must take an active part.

As the primary educators of their children, parents also are the first and most important role models for their children. Whether on the sidelines as coaches or in the stands as fans, parents must set a Christian example for their student athletes to follow. Fair-mindedness, sportsmanship, good manners, and respect for oneself, one's fellow man, and one's environment are required behaviors for parents and student athletes alike. Understanding rules and following set guidelines are also important.

Finally, beyond instilling in children a love for sports and an appreciation for the discipline and skills required for each sport, every parent should have a primary concern for the safety and well-being of every student athlete who participates in the athletic program at St. Dominic School.

- Read this entire handbook with your student athlete; know the responsibilities, guidelines, rules, and procedures associated with every aspect of the athletic program.
- Complete and submit all of the required paperwork on time.
- Pay all fees and purchase the required items needed to complete your child's uniform.
- Help your child manage his/her time responsibly so that there is appropriate attention paid to academics.
- Attend orientation and other meetings scheduled by coaches.

Student Athlete

General Guidelines for the St. Dominic Student Athlete

What does it mean to be a "Student Athlete"?

On the court or on the playing field, at practice, or in the game, the St. Dominic athlete must be an ambassador for St. Dominic School at all times. He or she is called "student athlete," meaning, *student first* and *athlete second*. As such, the St. Dominic *student athlete* must perform well in the classroom, maintain good Christian conduct, and reflect the teachings of St. Dominic School in and out of the school setting in order to enjoy the privilege of participating in its sports programs.

Athletic Eligibility

General Requirements for the St. Dominic Student Athlete

- Every student athlete is required to:
 - (1) Be familiar with and follow the St. Dominic School student conduct code and all other rules and guidelines in the *St. Dominic School Student-Parent Handbook*.
 - (2) Abide by the philosophy and guidelines established by the St. Dominic School Board and the Athletic Committee as outlined in this handbook.
- Eligibility to play will not be impacted by the student athlete's ability or inability to purchase athletic apparel in addition to the school-sponsored athletic uniform.

- Student athletes must attend scheduled practices and games and abide by the team rules and procedures established by the coach.
- Athletes must be passing in every subject in order to participate in practices or games.
- Student athletes must maintain good conduct at school and will not be allowed to attend practices or games if they have committed disciplinary infractions during the week.
- Any St. Dominic student athlete will be dismissed from participation in the athletic program for the remainder of the season if he/she is found smoking, consuming alcohol, using non-prescribed drugs, and/or any other action deemed inappropriate.
- Student athletes who do not attend St. Dominic School may be permitted by the Athletic Director and the Athletic Committee to participate in a St. Dominic sport under the following guidelines:

 - (2) They must be bona fide members of the St. Dominic Parish or a parish that does not offer the sport they wish to play (Pastor approval required);
 - (3) They must not be in the 9th grade or over, even if they are of the correct age.
- St. Dominic student athletes may not play on any high school team.
- **Student athletes playing the last game in the facility are required to clean up the facility.** Student athletes must have respect for any and all athletic facilities and equipment. They must do their part to keep practice and play facilities clean and orderly, and they must abide by the rules of any facility in which they practice or play. Damages or property loss caused by the student athlete will be the responsibility of the student athlete and his/her parents, and the student athlete will not be allowed to practice or play until the necessary repairs, replacements, and/or payments have been made. Depending on the severity of the situation, the student athlete may be dismissed from the team for the rest of the season.

Athletic Ineligibility

Guidelines for Determining Ineligibility of Student Athletes

Absence from School

- **ATHLETES MAY NOT PARTICIPATE IN EITHER A GAME OR PRACTICE IF THEY HAVE BEEN ABSENT FROM SCHOOL THAT DAY DUE TO AN ILLNESS.**
- For absences due to reasons other than illness, the decision is to be made by the Principal.
- A student must be present at school on the day after a game or have a doctor's statement or parent note. Without this documentation, the student must sit out the next game.

Academic Deficiencies

A student athlete can be ruled academically ineligible to participate in St. Dominic sports:

- (1) If the student athlete's average in any subject falls below 70%;
- (2) If the student's academic performance indicates a lack of attention to classroom assignments, homework, meeting deadlines, or inability to follow class rules and expectations.

- Teachers will document academic deficiencies on the weekly Athletic Eligibility report by 1 PM each Monday throughout the season.
- A student athlete who has been reported as deficient will have a conference with the principal to discuss the report, the conditions of the ineligibility, and the terms for reinstatement. Following the conference, the principal will contact the parent or guardian, the Athletic Director, and the coach.
- **At minimum, the student athlete will remain ineligible until the next Athletic Eligibility reports are submitted on the following Monday.** The Principal will notify the student, parent or guardian, the Athletic Director, and the coach when the student athlete is once again eligible to participate.

Disciplinary Infractions

- Athletes may not be allowed to participate in sports if their misconduct results in a detention, suspension, or other disciplinary action.
- The principal will notify the student athlete, his/her parent or guardian, and the coach of the student athlete's ineligibility and the terms for return to eligibility.

Ineligibility = No Participation & No Attendance

Students who are not allowed to participate in an athletic event (practice session or game) are not permitted to attend the event.

Uniforms

- All uniforms and equipment purchased by the Athletic Program shall remain the property of St. Dominic School.
- All uniforms and equipment damaged beyond normal wear or not returned will be replaced at the expense of the student athlete's family.
- At the conclusion of the season, all uniforms will be cleaned, bagged and labeled with the athlete's name, and returned to the team coach in accordance with his/her instructions.
- **UNIFORMS ARE NEVER TO BE RETURNED TO THE SCHOOL OFFICE.**
- In an effort to keep uniforms in the best possible condition, they are to be worn only during designated times. Uniforms are not to be worn at practice sessions or as street wear.
- Uniforms are not to be worn on Spirit Days, but they may be brought to school so that they can be worn during special programs such as pep rallies.

Athletic Programs

Athletic Opportunities at St. Dominic School

BASEBALL	Grades 7-8*	BASKETBALL	Grades 4-8
BASKETBALL	Grades 4-8	CHEERLEADING	Grades 6-8*
FOOTBALL	Grades 7-8*	VOLLEYBALL	Grades 4-8

**Teams may include players from lower grades if players are needed in order to form a team.*

Competitive & Developmental Teams

Developmental Team Goals

While winning the game is the object, equal playing time is a higher priority on the developmental team. Participation on a developmental team allows the student athlete to develop and strengthen skills and build confidence. This type of team is outstanding for the growth of the player, whether with St. Dominic sports teams or another league.

*The 4th and 5th grade teams at St. Dominic are considered developmental teams.
The 6th grade teams also may play in a developmental league.*

Competitive Team Goals

A competitive team is designed to be as competitive as possible with the team it plays. For that reason, playing time may not, and likely will not, be equal for all players in each game. In some games, the more skilled players may receive a majority of the playing time, while less skilled players may play less. However, coaches are to allow as much participation as possible by each player in order to develop bench strength, create a better overall team, and enhance the self-esteem of every individual athlete.

The 6th through 8th grade teams at St. Dominic are considered competitive teams.

Coaches shall honor the developmental role of all St. Dominic School athletics—including competitive athletics—in the total education of our student athletes. Coaches shall make every effort to allow each athlete playing time in each event and shall take into consideration the level of play, the ability of the competing team, and the score differential in providing maximum opportunities for play by each athlete.

Fees for Student Athletes

\$25 Grades 4-8 for participation in one sport

\$50 Grades 6-8 for participation in two or more sports

Fees are due along with required paperwork by the first practice. Athletes will not be allowed to participate until all fees and paperwork have been submitted.

Grievance Procedures

Authority as exercised in the Catholic school system depends in large measure upon a spirit of willing cooperation among administrator, coaches, parents, and athletes. The St. Dominic School Athletic Committee does realize that honest disagreements can and sometimes will occur. Likewise, the Athletic

Committee believes that these disagreements or complaints can and should be discussed and resolved at the level closest to the dispute.

Normal levels for resolving grievances:

1. Coach
2. Athletic Director
3. Principal
4. Athletic Committee
5. School Board
6. Pastor
7. CSAA

Physical Examinations

Prior to the first practice session, student athletes must submit to their coach a completed physical exam form. Exams must be performed by a physician, physician's assistant, or nurse practitioner; health department exams will not be accepted. Forms available from the health service provider may be used, or see the Appendix of this handbook for a reproducible exam form. Additional physical exam forms are available in the school office or in parent information folders distributed at the beginning of each school year.

Recognition of Student Athletes

Recognition programs for teams, coaches, and parent volunteers may take the form of an end-of-year potluck dinner and awards program and/or one or more informal awards programs for the Fall and Spring sports. The type and number of these recognition programs will be decided upon and coordinated by the Athletic Director with the help of the Athletic Committee.

Developmental Teams:

Student athletes on developmental teams will receive participation ribbons, letters, or certificates.

Competitive Teams:

Recognition of student athletes at the competitive level of play includes awards based on effort and performance in the student athlete's respective sport as well as awards based on his/her performance in the classroom while participating in that sport. **Trophies will be awarded at the competitive level.**

Student Athlete Awards

Athletic Performance Awards

Academic Athlete Award

In determining academic achievement awards, the following subjects will be included when calculating the student athlete's grade point average:

Religion • Language Arts • Mathematics • Science • Social Studies

Teachers will submit trimester grade reports for each of the above subject areas to the Principal, who will determine the name of the student athlete with the highest grade in these subject areas combined.

Grades will be tabulated ONLY for the trimester in which the sport is played:

1st Trimester	Football and Girls' Basketball
2nd Trimester	Boys' Basketball and Cheerleading
3rd Trimester	Baseball and Volleyball

The Principal will submit to the Athletic Director only the names of the award recipients. **Grades are confidential student records** and will not be shared with the Athletic Director or other members of the Athletic Committee.

Christian Athlete Award

This honor is given by the student athletes themselves to a teammate who has exhibited Christian behavior on and off the playing field/court.

Safe Environment Training

The Archdiocese of Louisville is committed to ensuring that children and youth who worship, study or participate in church-sponsored activities can do so in the safest and most secure setting possible. In an effort to fulfill this commitment, **all employees or volunteers who have regular contact with children or youth — including athletic coaches, assistant coaches, athletic directors and assistant athletic directors — are required to participate in ONE Safe Environment Training Workshop.** The Safe Environment Program will be offered through a partnership with the Center for Women and Families.

Workshops will cover the following topics:

- Identifying signs of child sexual abuse
- Understanding the dynamics of child sexual abuse, including how children are groomed and how they may attempt to reveal their experience
- How to take action in response to child sexual abuse, including obligation to report and caring for the abused child
- Becoming familiar with archdiocesan policies and Code of Conduct regarding work with children

Each workshop lasts approximately 2 hours. Workshops are offered throughout the year at various locations throughout the Archdiocese. For a listing of scheduled workshops, check with the parish office. **NO REGISTRATION FOR THESE WORKSHOPS IS NECESSARY**, but you must sign in when you arrive at the workshop. Participants will receive a copy of the *Archdiocesan Sexual Abuse Policies* resource manual. **The back of the manual includes a participation form which must be completed by the participant and turned in to the parish or school office.**

Screenings for All Volunteers

- 1. Safe Environment Training**
- 2. Background Check**

Volunteers who work in the St. Dominic athletic program **MUST** complete the Safe Environment training prior to coaching. Coaches, assistant coaches, the Athletic Director and his/her assistant also must undergo a background check. The background check form can be obtained and completed through the St. Domini School office.

Coaching Code of Conduct

St. Dominic School Athletic Program

- I understand that it is an honor and a privilege to be a Coach. My role in the development of student athletes cannot be too greatly stressed. The task I have chosen is difficult because of the important influence I will have on student athletes. They will look to me for knowledge, guidance, and direction.
- I agree to remember that my first responsibility is to be a Christian in all that I do and say, and that my goal is to model the life of Jesus. Therefore, I will begin each practice and game with a prayer, and I will encourage my student athletes to model Christian behavior as well.
- It is important that there is open, consistent communication among the Athletic Director, Principal, parents, student athletes, and the coaching staff. The principal, athletes, and parents will be appropriately notified of any changes in the game or practice schedule. At all times I will support the rules, policies, and the philosophy and mission of St. Dominic School and its Athletic Program; therefore, it is my responsibility to be current on all policies and rules.
- I will demand a sports environment that is free of drugs, tobacco, and alcohol, and will refrain from their use before, during, and after games and practice sessions—whenever student athletes are present.
- I understand that I am a reflection of St. Dominic School. I understand that my behavior before, during, and after games and practices should reflect good sportsmanship. I agree to communicate at the appropriate time in an appropriate manner. I understand that improper communication, including threatening comments, profanity, or obscene gestures will not be tolerated and will be considered a serious breach of my obligations as a coach. I will display proper demeanor with athletes, coaches, game officials, opponents, other adults, and all others associated with the athletic program in any capacity. I understand that this is an important obligation as coach, since I will be an example to the student athletes.
- At all times I will be conscious of the safety of student athletes. I understand that I cannot have any inappropriate contact or communication with student athletes or other children in connection with my coaching position. I understand that it is extremely important that I am never alone with any student athlete or other child. I will make sure at least one parent/guardian is with me if only a single child or student athlete is present.
- I understand that practice time is integral to my child's success in the Athletic Program. I will make every effort to ensure that I am on time for the start and end of all practice sessions, and I will make every effort to ensure that I arrive at least 30 minutes before the start of a game.
- At all times I will be consistent with all student athletes. I understand that these guidelines have been developed to foster a safe environment, school spirit, loyalty, teamwork, and good sportsmanship. I will keep the emphasis on learning and skill development of all team members. I will refrain from attempting to "run up" the score against an opponent.
- I understand that there is a "chain of command" in force for addressing concerns and problems: Coach, Athletic Director, Principal, Athletic Committee, School Board, CSAA. In each instance, careful consideration will be given and a timely response made with no retaliatory measures inflicted upon the student athlete.
- I have read the *St. Dominic School Athletic Handbook* in its entirety, and I understand and agree to abide by and support the rules and requirements therein and included in this Code of Conduct.

- I understand that participation in the St. Dominic School Athletic Program is an added privilege and responsibility. Homework is not a valid excuse to miss a practice or a game. I understand that a practice or a game is not a valid reason for my child not to have his/her homework completed. I will make the necessary adjustments and assist my child in managing his/her time in order to meet both homework and athletic commitments.
- I understand that practice time is integral to my child's success in the Athletic Program. I will make every effort to ensure that I am on time for the start and end of all practice sessions, and I will make every effort to ensure that my child arrives 30 minutes before the start of a game.
- I understand that I am a reflection of St. Dominic School. I understand that my behavior before, during, and after games and practices should reflect good sportsmanship. I will not use profanity or make obscene gestures at games or practices, especially when student athletes are present. Such behavior will not be tolerated and sets a terrible example for the children. Members of the Athletic Program and/or the host facility reserve the right to ask someone to leave the premises should his/her behavior violate any aspect of this Code of Conduct.
- I understand that there is a "chain of command" in force for addressing concerns and problems. The chain of command for grievances is as follows: Coach, Athletic Director, Principal, Athletic Committee, School Board, CSAA. In each instance, careful consideration will be given and a timely response made with no retaliatory measures inflicted upon the student athlete.

and games by completing my homework and all other responsibilities in a manner that will allow me to attend. In the event that homework or other schoolwork or responsibilities is too extensive to allow me to compete or to attend a scheduled practice, I agree to promptly tell the Coach about the situation.

- I understand that practice time is integral to my success in the Athletic Program. I must make every effort to be present and on time for all scheduled practices and games. Failure to do so may jeopardize my playing time.
- I will meet or exceed the athletic eligibility requirements as set forth in the *St. Dominic School Athletic Handbook* and the *St. Dominic School Student-Parent Handbook*.
- I understand that I am a reflection of St. Dominic School. I understand that my behavior before, during, and after games and practices should reflect good sportsmanship. Win or lose, I will make everyone associated with St. Dominic School proud of my team and me.
- I agree that if, in the opinion of the Coach, Athletic Director, or Principal, I am not abiding by the policies of the Athletic Program or my conduct is not befitting of St. Dominic School, I may be temporarily or permanently suspended from the Athletic Program.
- I understand that these guidelines have been developed to foster a safe environment, school spirit, loyalty, teamwork, and good sportsmanship.

We have read the *St. Dominic School Athletic Handbook* in its entirety, and we understand and agree to abide by and support the rules and requirements therein as well as those stated in the Code of Conduct for Parents and Student Athletes.
