

St. Dominic School 2011-12 Tuition & Stewardship

Parish Rates *In-Parish Instructional Fees + Stewardship*

Parish members in good standing for at least two years pay the instructional fees below, which cover the costs of textbooks, workbooks, planners, technology expenses and costs for classroom materials, as well as cafeteria fees. PTO dues are paid separately on Meet Your Teacher Night prior to the start of school. This rate does not include miscellaneous student school supplies like loose-leaf paper, notebooks, glue stick, tissues, pencils, etc. *Parishioners in good standing* are those who are active and faithful to St. Dominic Church and School in terms of time, talent, treasure and regular attendance at Mass.

Effective August 2011, all school families are required to fulfill their stewardship obligations via automatic withdrawal. Stewardship pledges are made on a 12-month fiscal year cycle (July-June). Withdrawal dates are on the 5th and 20th of every month. You may choose to have withdrawals made on the 5th, the 20th, or on both dates each month.

Families also may elect to pay their instructional fees through automatic withdrawal. When you receive your parish stewardship information, you will need to complete the required automatic withdrawal form for stewardship; a separate form is included for parents who also would like the option of paying their instructional fees electronically.

The average cost to educate a child at St. Dominic School for one year is around \$4000. Note that families with more than one child pay considerably less than \$4000 per child; this is made possible through the financial assistance provided by St. Dominic parish. Before making their annual tithing pledge, school families should pay careful attention to the recommended levels of giving, because the amount pledged has a direct impact on the school's annual operating budget.
